

Oh, Hey Vacay ...

Relax. Here's How to Get Getaway-Ready

Who doesn't need a spring break right about now? We sure do!

So, whether you're off on a sun-drench solo adventure, headed to the mountains with the family, or just staying home, you deserve some time off.

But what about the *before* vacation frenzy?

Relax.

We've gotcha covered with essential tips and must-have offers to help make your March much more memorable—and far less maddening.

Pack Light

A light-colored or floral dress, swimwear (don't forget the sunscreen, coverup and sunhat), shorts and tees, plus a sweater or jean jacket for chilly evenings is about all you need. P.S. Don't overpack shoes. A pair of sandals and whatever you wear on your travel day really can be enough.

Get in the Groove

Spotify, Apple Music, and even YouTube have lots of ready-made playlists. Hint: Start listening to your faves a few days before you leave to get the spring break vibe going.

Schedule Self-Care

Don't wait until the day before you go. Book your mani, pedi, and hair removal services a few days before you leave. Or, head over to a friend's for a couple of hours for a DIY girl's night. Bonus Idea: Book a post-vacay **HydraFacial** to deep clean and exfoliate after all that fun in the sun.

Sunforgettable Vacay

Purchase a **ColoreScience** FLEX and Total Protection Brush for just \$99. Valued at \$124, this is the easiest way to protect skin from burning rays. Note: ColoreScience is a physical sunblock rather than a chemical one, making it a safer, more effective protectant.

Travel Ready with Trio

Get a FREE deluxe travel set (valued at \$100) with the purchase of 1 **skinbetter** Trio Rebalancing or NEW Trio Luxe Moisture Treatment. Remember: Skin doesn't take a vacation from needing care.

EXTRA SPECIAL OFFER SAVE \$500

Get \$500 off **breast augmentation** when you book a consult with Dr. Lichten by April 15, 2024. To be eligible for this savings, surgery must be completed by June 30, 2024.

40 Units of Botox + C-Peptide Firming Facial
