I understand that office visit charges are payable on the day service is rendered. I authorize Central Ohio Plastic Surgery, Inc. and Dr. Lichten to bill my insurance company. Regardless of insurance coverage, I am responsible for all bills being paid in a timely manner. I understand that my contract is between Central Ohio Plastic Surgery, Inc. and myself.

Financial Policy

Effective 8/1/2021

Central Ohio Plastic Surgery, Inc. recognizes the importance of communicating our financial policy to all patients. Our goal is to provide useful information about our billing process. **This policy applies to both self-pay and insurance patients.** Please contact us at (740) 653-5064 with any questions.

On your initial visit, you will be asked to provide demographic information. Following that visit, periodic updates will be requested. If, during the time you are a patient at our practice, you change any of your personal information, including address or telephone number you must inform us.

There will be a \$25.00 charge for all **FMLA and disability** paperwork completed by Dr. Lichten. Please allow seven business days for processing. There will be an additional fee to expedite the paperwork. In no event can completion of paperwork be guaranteed in less than three business days.

As part of your care, you may incur additional medical bills related to testing done through laboratory, radiology or pathology, as well as bills from consulting physicians. Medical bills may also be generated from hospital admissions or emergency room visits. It is our policy not to reimburse patients for any expenses arising from, or related to, services provided or recommended by Dr. Lichten. Patients should check with their medical insurance carrier about coverage and benefits for specific services required.

All patients who have a check returned for insufficient funds will be charged a service fee of \$45.00, in addition to the original amount of the check.

Insurance Patients are responsible for supplying us with correct and updated insurance information at all times. Failure to do so may result in you being liable for the entire balance of your bill. As a courtesy, we will submit claims on your behalf to your medical insurance carrier. When you are treated at our facility, you are required to pay any co-pay at the time of service. If you do not have insurance that covers the cost of your visit, or if you are unable to provide sufficient insurance information, you will be expected to pay 100% of the charges at your visit.

Self-pay patients scheduling cosmetic surgeries will be charged a \$500 deposit to secure their surgery date, which will be applied to the cost of the surgery. If you cancel surgery more than four weeks before the surgery date, the deposit will be fully refunded. If you cancel or reschedule surgery less than four weeks before the surgery date, the deposit will be forfeited to the practice. The non-refundability of the deposit is not meant to be a punishment. There is considerable time and effort that goes into the scheduling of and planning for a surgery. The deposit is meant to cover the expense of those efforts in the event of a late cancellation.

that goes into the scheduling of and planning for a surgery. T of those efforts in the event of a late cancellation.	"he deposit is meant to cover the e.
We welcome the opportunity to discuss any aspect of our final	ancial policy.

My signature below indicates that I understand and agree to the above policy.
